“Dr. Z provided thrilling entertainment to our group in Las Vegas, This is a hypnosis show that everyone should see!”

-Tommy Vee Productions, Inc

“It was with apprehension we choose a hypnotist for our entertainment. Fear of the unknown and lack of participation were some of the facts that led to our apprehension. Needless to say when Dr. Z appeared on stage everyone took an interest and volunteers filled the stage. All were captivated with the antics that ensued. Laughter and clapping filled the building. Thanks Dr. Z for a fun filled night”

-Bubba Hukaby manager Kentwood CO-OP

“This was a first of it's kind show held in our Shriners Center, and as you know, judging from the attendance and stage participation, it was indeed a fun filled experience for everyone at the show. Laughter is the best medicine, and you definitely brought this out in everyone at this show. Thank you again, and looking forward to hosting your show in the future.”

-George T. Stengel,  
Potentate Azan Shrine Center Melbourne, Florida

“Having had the pleasure and fun of being a willing participant at Dr. Z's show in Las Vegas: I still get great pleasure out of the pure abandonment of being a “2nd grader” who kept on making faces at my teachers! (Who happened of course to be Dr. Z) It was fun and liberating and I truly look forward to seeing my facial expressions as a “little girl!” on your video!”
